OBJECTIVE

To make the world a better place through the use of motion graphics.

QUALIFICATIONS

Over the past five years I have worked in the motion graphics industry as both a freelance artist and as a salaried employee. I've been involved with every step of the way on a wide range of projects, including music videos, dvd menus, commercial work, and broadcast graphics packages. I believe a unique style & sensibility permeates my work and sets it apart from the rest...you know what? I love what I do and I think I make interesting stuff, and I hope you agree. Other than that, what else do you need to know?

APPLICATIONS

Adobe After Effects	Final Cut Pro
Adobe Photoshop	Macromedia Flash
Adobe Illustrator	

EDUCATION

1998-2002 BS in Radio-Television-Film, University of Texas at Austin

EMPLOYMENT

1.06-Current

Freelance Work

Worked both as an animator and designer with a number of high profile design shops, including but not limited to Star Dust, Roger, Drive, Reality Check, Spark, and Picture Mill.

7.04-12.05

Motion Graphics Designer & Animator, Formula Inc.

Duties at Formula are far-reaching, including designing and animating graphics packages to DVD menu design to some print work. I am responsible for every step of the process, from initial concept and storyboarding to providing final deliverables. I work closely with both the creative director as well as the clients themselves, including Universal Studios, Sony Pictures, Microsoft, LaserPacific, and Kodak.

10.02-04.04

Director & Motion Graphics Designer, Refused TV

Responsible for a wide variety of tasks, including but not limited to motion graphics design and execution, editing a nationally broadcast television show (Refused TV), DVD menu design and authoring, storyboard and animatic creation, as well as directing my own videos. In addition, I worked closely with other directors at the company to help them realize their visions, creating everything from early, rough sketches of ideas to finished music videos and commercials.
